Name of Respiriologist:

**Markham
Stouffville
Hospital**
Oak Valley Health

Markham Stouffville Hospital
Centre for Respiratory Health
Located in the Markham Stouffville Health Center
377 Church St.
Room G07
Markham Ontario

COPD Clinic

Bring your health card and all current medications.

Depending on your appointment you may be scheduled for a pulmonary function test and/or a chest Xray. If so, please report to the main lobby to register for your appointment and arrive 15 minutes in advance. You will be directed to the pulmonary function lab.

If you are scheduled for a pulmonary function test, no inhalers for 12 hours prior to test except Salbutamol (ventolin) which may be taken up to six hours prior to test.

Your appointment may take up to four hours.
You will be seen by a COPD Educator and the Respirologist (Lung Disease Specialist).

Asthma Education Clinic

Bring your health card and all current medications, and your spacer (aerochamber).

You will be seen by the Asthma Educator.

New appointments are 45 minutes, follow up appointments are 30 minutes

Please park in visitor parking lot #1 across from 377 Church St.
The Centre for Respiratory Health is located in 377 Church St on the ground floor, room G07.
